IMPORTANT NOTICE FOR VEHICLES WITH COMBINED WEIGHT OVER 26,000 POUNDS

Vehicles subject to weight-mile tax through Motor Carrier Transportation Division (MCTD) must be registered with MCTD. This applies primarily to vehicles with a registration weight of 26,001 pounds or more.

If you wish to register or renew a vehicle that has a registration weight of 26,001 pounds or more with DMV, you must certify the vehicle is not subject to weight-mile tax. Certification forms may be obtained at your local DMV office. The certification must accompany your registration or renewal application. The certification is also on the DMV applications for title and registration (Forms 735-226 and 735-268).

Vehicles with registration weights of less than 26,001 pounds also may be subject to weight-mile tax if the vehicle's combined weight is 26,001 pounds or more. This would include, for example, a vehicle used exclusively to tow manufactured structures, since the manufactured structure is not included in the registration weight, but is part of the combined weight. If the combined weight of your vehicle is 26,001 pounds or more, you must register it with MCTD.

If you do not know if your vehicle is subject to weight-mile tax, contact Motor Carrier Transportation Division, 550 Capitol Street NE, Salem OR 97301-2530. The telephone number is (503) 378-6699.

All buses, trucks or other motor vehicles with a **registration weight** of more than 8,000 pounds that are not subject to weight mile tax may be registered for one, two or three quarters, or for a full year. The quarters run January 1 - March 31, April 1 - June 30, July 1 - September 30 and October 1 - December 31. If the vehicle is registered for less than one year, \$1 is added to the registration fee.

Registration weight:

Trucks and manufactured structure toters

Registration weight for these vehicles is the total empty weight of a vehicle or all vehicles in a combination (for example, a truck and any trailers it may pull), plus the total weight of the load carried on that vehicle or combination of vehicles, minus the weight of a camper or the trailing vehicles listed below:

- (1) Trailers with a loaded weight of 8,000 pounds or less.
- (2) Special use trailers, travel trailers, manufactured structures, and fixed load vehicles.
- (3) A towed motor vehicle.

Heavy Trailers:

Trailers with a loaded weight in excess of 8,000 pounds are registered permanently for a fee of \$10. The loaded weight of these trailers is included in the registration weight of the power unit that pulls the trailer.

Maximum Weight:

The maximum REGISTRATION WEIGHT per single vehicle or combination of vehicles is 105,500 pounds.

Regardless of registration weight, variance permits **must** be obtained when operating vehicles in excess of 80,000 pounds combined weight or any operation that exceeds the maximum allowable weights as described in ORS 818.200. Unlike registration weight, combined weight includes the weight of any camper, trailing vehicles or their loads. Variance permits may be obtained from the MCTD Over Dimensional Permit Unit, 550 Capitol Street NE, Salem, Oregon 97301-2530. The telephone number is (503) 373-0000.

Your vehicle may be subject to other requirements administered by Motor Carrier Transportation Division (MCTD). For more information, contact MCTD, 550 Capitol Street NE, Salem OR 97301-2530. The telephone number is (503) 378-6699.
