FLEET REGISTRATION FEE SCHEDULE

Use this schedule for fleet-registered passenger vehicles, light trailers, heavy fixed loads and light fixed loads that are being added to a fleet with a single month of expiration.

Registration fees on new or new-to-Oregon vehicles are calculated from the month of initial registration through the chosen month of expiration. Registration fees on vehicles already registered in Oregon are calculated from the current month of expiration through the chosen month. If less than 3 months remain until the chosen month, you may wish to pay an additional year fee to ensure prompt renewal notification.

Fees are applied to the month in which the fees are received.

Do not use this schedule for any vehicles which are not registered under the Fleet Registration Program with a single-month expiration.

In addition to this registration fee, a plate fee is required.

If vehicle is registered in Multnomah County, add \$1.50 per month for prorated county registration fee.
