INSTRUCTIONS

This form is to be completed and filed when applying for : 1) Oregon Weight Receipts and Tax Identifiers for new vehicles; 2) Amended Weight Receipt for vehicle already on file with ODOT; 3) Renewed Weight Receipt and Tax Identifier.

Enter your FILE NUMBER, BUSINESS NAME, TELEPHONE NUMBER, and complete ADDRESS. If you want Receipts faxed back to you, include your fax number. If you do not have a file number, this form must be accompanied by an APPLICATION FOR MOTOR CARRIER PERMIT, ODOT FORM 735-9075.

For more than four vehicles, please use form 735-9076A, Continuation Sheet or you may attach a list that follows the same format and includes the same information. Failure to do so may delay your application.

VEHICLE REGISTRATION

In order for each power unit to be registered correctly, carriers are required to provide all information requested on this form. PLEASE TYPE OR WRITE CLEARLY. Please provide the COMPLETE vehicle identification number. The codes listed below must be used when indicating vehicle body style, fuel type, and fee basis. A "fillable" version of this form (ready to be completed on-screen and printed on a local printer) is available on the Web @<http://www.odot.state.or.us/trucking/regis/forms.htm>.

IMPORTANT NOTE: Oregon has eliminated the red Tax plate it had been issuing to out-of-state carriers. (Oregon still issues Commercial and Apportioned plates to Oregon-based carriers.) The Oregon DOT now recognizes the truck's license plate number and the jurisdiction from which it is issued as the weight-mile tax identifier for the truck. It is **essential** that the license plate and the jurisdiction from which it is issued match the plate and jurisdiction listed on the Oregon Weight Receipt that is issued from this application. Applications that are illegible, incomplete, or incorrect may result in errors on the Weight Receipt(s) issued. Errors on Weight Receipts may subject a driver to citation and a \$295 fine.

Oregon Weight Receipts are **valid when the license plate noted on the Receipt is attached to the truck.** If a license plate has not yet been placed on a truck and the truck will be operating in Oregon, ODOT can issue a Temporary Weight Receipt and Tax Identifier. To obtain a Temporary Receipt, please indicate by writing "**Issue Temp**" in the box asking for Base License No. When a license plate has been issued and placed on the truck, the carrier must contact Oregon to obtain a permanent Oregon Weight Receipt. The Temporary Weight Receipt is not valid if the truck is displaying a license plate.

VEHICLE AMENDMENT

For each registered vehicle which is to be corrected, enter the BASE PLATE NUMBER, check the "AMEND VEHICLE" box and list the item being amended.

If a weight declaration is to be changed, list ALL weight declarations under which the vehicle is to be registered for future operations.

This form may be used to renew a tax receipt for the following year. Enter the Base License Number to be renewed. Check the "RENEW VEHICLE" box.

DECLARED WEIGHTS

Your DECLARED WEIGHTS are subject to audit and approval by ODOT. If your combined weight is in excess of 80,000 lbs., you must obtain an Oregon Over Dimensional Permit.

SOLO - The maximum loaded weight of a single unit (truck) or the weight allowable for a power unit operating with the trailer up (decked). The **MINIMUM** allowable solo weight (decked) is the declared weight of the combination minus the maximum weight upon the trailer axles.

COMBINATION - The weight of the vehicle plus the weight of the maximum load the vehicle will transport. You must declare more than one combination if you operate different configurations.

SIGNATURE

The application must be signed by the owner, partner, corporate officer, or authorized company representative.

FEES MUST ACCOMPANY THIS APPLICATION

For each of the listed transactions an \$8 fee will apply.

- Weight Receipt and Tax Identifier
- Temporary Weight Receipt and Tax Identifier (to be issued when license plate is not yet on vehicle)
- Weight Receipt and Tax Identifier- issued when vehicle with Temporary receipt has license plate obtained and placed on vehicle
- Amended Receipt or Temporary Receipt
- Renewed Receipt or Temporary Receipt

ADDITIONAL INFORMATION MAY BE REQUESTED IN WRITING OR BY CALLING (503-378-6699).
